ABOUT ASSIST PREGNANCY CENTER

Assist Pregnancy Center is a Christ-centered non-profit organization working to encourage, educate, and empower women and men to make life-giving decisions for themselves and their unborn children. Through the provision of medical services to confirm and date pregnancy, pregnancy options counseling, and practical assistance, Assist comes alongside abortion-vulnerable individuals to affirm life and share the hope found in the Gospel of Jesus Christ. The funds you raise help provide the vital support needed to offer these services at no cost to those we serve. Thank you for raising funds to save lives, transform hearts and further the Gospel of Jesus Christ.
